

A new way to plan your next move

<https://workforce.org/my-next-move/>

Be one of the first to experience [workforce.org/mynextmove](https://workforce.org/my-next-move/). It's packed with tools and information to help people:

- Identify career opportunities that align with your strengths and interests
- Find local training programs and live job postings
- Connect with services and resources to help you stand out
- Use labor market information to make informed training and career decisions

**General and Operations
Managers**

Healthcare Social Workers

**Industrial Engineering
Technicians**

Sifting through online career resources can be overwhelming. We hope centralizing San Diego-specific tools and information will make things easier for students, job seekers and curious career explorers.

Please take a look and **share these resources with your clients and colleagues.**
